Child Care Facility

Emergency / Disaster Supply Cache

- √ Water (1 gallon per person per day)
- √ Flashlight and extra batteries
- √ Battery powered radio and extra batteries
- √ Plastic garbage bags and toilet paper
- √ Diapers and wipes
- √ Personal hygiene items and feminine supplies
- √ Non-perishable food items, including food for children and others with special nutritional needs
- √ First Aid kit
- √ Prescription and over-the-counter medications
- √ Map of area for evacuating and for locating shelters
- √ Duct tape and plastic sheeting
- √ A whistle to signal for help
- √ Sleeping bags or blankets
- √ Paper cups, plates, and plastic utensils
- √ Cash
- √ Non-electric can opener, utility knife
- √ Matches in a water proof container
- √ Signal flare

- √ Paper and pencil or pen
- √ Games/activity items for children, in order to take the focus off of the emergency
- √ Copies of class lists and Emergency Cards for each child and staff member
- √ Copy of the agency's disaster plan
- √ Keys
- √ Student release forms
- √ Copies of any MOUs, and contact information of partners
- √ Work gloves

This is a very basic supply list. Additional items might be required based upon individual facilities needs and desires. All supplies should be kept in an easily accessible location, in a clean and dry storage container.
